P.A. POLYTECHNIC COLLEGE

An ISO 9001:2015 certified institution

POLLACHI-642 002

Department of Electronics and Communication Engineering

Vision of the Institute

To provide high quality skill oriented technical education to the rural students to accomplish the global requirements.

Mission of the Institute

To provide modern facilities for imparting value based teaching – learning practices, enrich the faculty members with continuous learning and career guidance for the students.

Vision of the Department

To provide quality education and to produce technical manpower of global standards in Electronics and Communication Engineering with capabilities of adapting to new challenges to address the social needs.

Mission of the Department

M1- To develop skillful Diploma Engineers in the pursuit of excellent technical knowledge in industry and higher education.

M2- To develop ability among the students to understand the technical concepts through continuous learning of emerging technology.

M3- To provide ethical and value based education by importing activities to address the social needs.

Program Educational Objectives (PEOs)

PEO 1: To accomplish the basic design and device integration knowledge in the field of Electronics and Communication Engineering.

PEO 2: To enlighten with continuous learning in modern technologies and design tools.

PEO 3: To assimilate the spirit of activity, team work and ethical values in the society as responsible engineers.
